Box New Patent Application  
Washington, D.C. 20231

Dear Sir:

In connection with the prosecution of the captioned application, Applicants submit the following items:

- 1) An initial computer readable form (CFR) copy of the sequence listing and an initial paper copy of the sequence listing, both generated on an IBM computer using PatentIn, Version 2.1 Software.
- 2) Required statements:
  - A. Applicants aver that the sequence listings do not include any new matter which goes beyond the content of the application as filed.
  - B. Applicants aver that that sequence listings contained on the diskette are identical to those contained on the paper copy.

Please direct any issues to Applicant's counsel at the telephone number provided below.
